

Welcome! We are glad you are worshipping with us this morning!

To ensure everyone's safety, please do not attend this morning's service if you are not feeling well, have a fever, are experiencing cold or flu-like symptoms, or have recently been exposed to someone who has tested positive for COVID-19.

Please remember the following during this morning's service:

- Wear a mask at all times.
- Carefully follow the directions of the priest, usher(s), and vergers. This is especially important when being seated, dismissed from your pew for Communion, and when the service is over.
- Maintain six feet of physical space from those who are not members of your household.
- Sanitize your hands before being seated, immediately before receiving Communion, and when leaving church.
- Only one person should be in the restrooms at a time. Please remember to wash your hands thoroughly.
- Refrain from physical contact at all times including The Peace. A simple bow, not of the head, or hand gesture is fine.

Thank You!

Fr. Winston+
